Disclaimer:

·We CANNOT take responsibility on the sizing of any yarmulka orders placed without trying on.

·Due to the nature of the fabric of the 6 slice washable Hoffman or Super Velvet yarmulkas we cannot take responsibility for the possibility of a burn mark when applying the design to the yarmulka. Any thin stripes or design does NOT adhere properly to the fabric and therefore may peel off at times; right away. The design may also not be centered or straight as the material is slippery and moves in the machine. WE do not guarantee any of the above as the nature of the fabric is as such.

·Please note all designs are HAND done. Our hands that place the yarmulkas into the machine are NOT machines. Many times we are working with miniscule stripes and pieces. Once they are in machine they may slightly slip. Therefore we can NEVER guarantee 100% perfection.

Thank You for understanding
